

Multirotor Flight Training Contents

| | |
|----------------------------|----|
| Introduction..... | i |
| About the Manual..... | ii |
| Drone Operating Rules..... | iv |

SECTION I

Ground School.....A

| | |
|---------------------------------------------------------------------|-----|
| <input type="checkbox"/> 3-axis Stabilization and Flight Modes..... | A-1 |
| <input type="checkbox"/> 6-axis Stabilization and | |
| <input type="checkbox"/> GPS Position & Altitude Hold..... | A-2 |
| <input type="checkbox"/> Weighing the Tradeoffs..... | A-3 |
| <input type="checkbox"/> Tradeoffs Continued..... | A-4 |
| <input type="checkbox"/> Optimizing Multirotor Handling..... | A-5 |

Control Ground School.....A-6

| | |
|-----------------------------------------------------------------------|------|
| <input type="checkbox"/> Control Introduction..... | A-7 |
| <input type="checkbox"/> Definitions and Responses..... | A-8 |
| <input type="checkbox"/> 6-axis Right Control Stick Fundamentals..... | A-9 |
| <input type="checkbox"/> GPS Aided Right Stick Fundamentals..... | A-10 |
| <input type="checkbox"/> Left Stick Control Fundamentals..... | A-11 |
| <input type="checkbox"/> Throttle Technique..... | A-12 |
| <input type="checkbox"/> 6-axis Forward Flight Turns..... | A-13 |
| <input type="checkbox"/> GPS aided Forward Flight Turns..... | A-14 |
| <input type="checkbox"/> Agility Mode Control Fundamentals..... | A-15 |

SECTION II

Basic (Sim) Flight Training.....B-16

| | |
|------------------------------------------------------|------|
| <input type="checkbox"/> Introduction..... | B-17 |
| <input type="checkbox"/> Transmitter Handling..... | B-18 |
| <input type="checkbox"/> Flight Trimming..... | B-19 |
| <input type="checkbox"/> Initial Hover Training..... | B-20 |
| <input type="checkbox"/> Introducing Rudder..... | B-21 |

| | |
|-----------------------------------------------------------------|------|
| <input type="checkbox"/> Basic Maneuvering..... | B-22 |
| <input type="checkbox"/> Rudder Maneuvering and Piro Turns..... | B-23 |
| <input type="checkbox"/> Side & Nose-in Orientation..... | B-24 |
| <input type="checkbox"/> Forward Flight Turns & 8's..... | B-25 |
| <input type="checkbox"/> Nose-in Orbits..... | B-26 |
| <input type="checkbox"/> Improving Orientation..... | B-27 |

SECTION III

Real World Flying.....C-28

| | |
|-------------------------------------------------------------------|------|
| <input type="checkbox"/> First Flight Considerations..... | C-29 |
| <input type="checkbox"/> First Flight and Wind Corrections..... | C-30 |
| <input type="checkbox"/> Flight Trimming and Practice Agenda..... | C-31 |
| <input type="checkbox"/> Camera Platform Essentials..... | C-32 |
| <input type="checkbox"/> Camera Positioning..... | C-33 |
| <input type="checkbox"/> Panning Techniques..... | C-34 |
| <input type="checkbox"/> Closing FPV and Planning Comments..... | C-35 |

Utilize the Check boxes to keep track of your progress and current areas of practice.
